

Mrs. Munoz

We are having a great final week of our school year as we have all stayed safe and have continued our authentic in-person Montessori Education. We are very much looking forward to reopening in September after an August hiatus.

Thank you parents for your trust and support. We all worked as a team during this reopening and your part in this was an integral part of our success.

Although our last day of the regular school year will be Friday July 31, and we will be closed for the month of August, we will be available throughout August to answer questions, give tours and talk on the phone.

For Monterey Park, contact our Director, Adela Munoz at (323) 724-0683, or send her an email: adelamunoz@mehermontessori.org

For Altadena, contact the Director, Althea Wildhaber: (626) 798-1171 or send an her an email: altheawildhaber@gmail.com.

Both facilities will re-open in September as we begin our 49th year as an accredited AMI Montessori School. Our first day of instruction will be the day after Labor Day, Tuesday September 8th.

That humanity which is revealed in all its intellectual splendor during the sweet and tender age of childhood should be respected with a kind of religious veneration. It is like the sun which appears at dawn or a flower just beginning to bloom. Education cannot be effective unless it helps a child to open himself to life.
